### LEARNING REPORTS@MTP

MTP has a unique way of providing you feedback about your child as a learner and their achievement. Can I encourage all families to click on the link [here](#) and view a short video explaining the main aspects of our half-yearly and yearly Learning Reports. If you have any questions please don't hesitate to contact your child's learning studio teacher.

### **What is EMU?**

This year, our school is part of an exciting program aimed at extending students' understanding of Mathematics. The program is called EMU, which stands for Extending Mathematical Understanding. EMU provides intervention aimed at supporting students' understanding and achievement in mathematics, particularly relating to number concepts. Our EMU program gives a selected group of three children, in JLS1 or JLS2, the opportunity to work daily for 30 minutes with Mrs Baird, one of our specialist EMU teachers, on an individually designed session. If you would like more information about EMU, please contact Mrs Baird.

“What God says is best, is best, though all ... the world are against it.”

*Pilgrim's Progress- John Bunyan*

On my recent pilgrimage I was deeply moved at the Sea of Galilee, where Jesus asked Peter, “Who do you say that I am?”

As I heard Jesus' voice in my own ears, I was challenged to check my own commitment to my faith. Do I stand with the world or do I stand by my faith? I found a new level of clarity in who I am and what God calls me to be. I will be sharing some of my experiences with the students at MTP over the coming weeks and months. You may hear your child talk about hearing ‘a pilgrim’ speak to them. If you have any questions or wonderings about my pilgrimage through the Holy Land, Rome and Assisi, please do not hesitate to ask. Send it with your child, or email the school and I will share whatever I can as we walk this journey together.

25<sup>th</sup> May- As we celebrate the Feast of Pentecost, we will be having a FUND RAISER day to assist the people of NEPAL. Please be as generous as you can and we build on our Year of Compassion at Mother Teresa Primary.

Maria Boyd REC

### **Canteen**

Just a reminder when ordering your child's lunch from the canteen that the order includes: **Child's Name, Class, Item and Money**. If a child's lunch order includes money for a sibling, please place all bags into the bag with the money.

Click on the link to the right to check that you have the correct price.

### Important Dates:

- ◆ 21st May  
Stage 3 Boys Soccer  
Gala Day
- ◆ 25th May  
Nepal FUND RAISER
