The launch of **MTP Parent University** - 14th September - 7.30-8.30am

After parent feedback and reflection, we are launching our **MTP Parent University**. This is an opportunity for **ALL** parents to learn, increase their skills and collaborate on topics related to your child's learning.

This will involve **5 opportunities** throughout the year, including early morning and night sessions to enhance your parenting skills to further support your child. This year already we have had sessions focussing on Cybersafety, Helping your child read non-fiction texts and School goals: How can I help? If you are unable to attend we will share the information and resources from these sessions.

The morning session on 14th September, will be focusing on the skills in reading non-fiction text and how I can help as a parent.

We look forward to seeing as many parents at our next session in the coming weeks and in the future!

School sporting event facilitated by Motiv8 Sports - 21st September all day event.

To celebrate an amazing term the children will have the opportunity to participate in a fun-filled day based on the Olympic Games. The day will be facilitated by Motiv8 Sports and all parents are welcome on the day to be a part of the many sporting adventures.

"Love begins at home, and it is not how much we do, but how much love we put into what we do."

Come, Be my Light

As is sometimes said, "Read the book, seen the movie, waiting on the tee-shirt". The Amazing and grace filled moment of Mother Teresa's canonisation must not become an 'event', but rather a point of grace where we hear God's voice calling us to be His light to the world; in all of our dealings with others, in our charity and forgiveness, in our generosity and compassion, in our loving and our kindness. May we be filled with the joy of God's love and show that great redeeming love to other by the light of our lives, lived well.

2016 Diocesan Athletics Carnival

Congratulations to the students who represented Cumberland Zone at the Diocesan Athletics Carnival. They were outstanding in representing Mother Teresa and the themselves.

Catherine McAuley Coaching Sessions

This week, students from Catherine McAuley's Year 9 Physical Activity and Sport Science class have worked with students in Years 3 and 5 during PE lessons. The Year 9 students were completing a coaching assessment and worked with our classes in a range of sports including Oz tag, volleyball, basketball, netball, hockey and soccer. It was great to see the interaction between both schools.
