### Important Dates:

**Wednesday, 9th March**

- Celebration of Learning

This LENT let us fast from bitterness, self indulgence, intolerance, anger, frustration and indifference. Instead let us feast on the love of our merciful God.

Feast on the wonder of diversity; diversity of cultures, landscapes, the animal world around us. Feast on the beauty that surrounds us. The beauty in the eyes of a child, the touch of a hand, the light of the sky as it moves from night to day. Taste the colours of the garden, the flight of birds, the love of a pet. Mostly, don't forget to feast on the joy of the Gospel.
