Passion Week

The definition of passion: Intense desire.

God's love for us, manifested in Jesus, was so passionate that it led him to walk into the gates of death. Jesus decision to put himself under the eye of his enemies shows deep commitment and passion to the task he was given by the Father. To show us that God is love. Can love be more powerful than a man spreading his arms on a cross to show us that no power on earth can come between us and God's love for us. May you feel the intense and overwhelming love of God this Easter and the joy of the Risen Christ – I invite you to view the reflection below. Maria Boyd REC
